

Climate Action Plan - Wymondley JMI

Year One

Area	Topic	Objective	Success Measures
Decarbonisation	Leadership	Create baseline survey & Climate Action Plan	Baseline carbon footprint established
Climate Education & Green Careers	Education	Create Eco-team (pupils, staff, parents)	Eco-team meets termly, sets 3 goals
Decarbonisation	Energy/Waste	Conduct energy, water, waste audits	Audit reports with actions
Decarbonisation	Paper	Promote double-sided/digital printing	25% paper use reduction
Decarbonisation	Paper	Classroom scrap paper trays & art reuse	Trays in every class; reduction in bin waste
Decarbonisation	Transport	Investigate walking bus & car share	Feasibility report, pilot scheme
Decarbonisation	Energy	Appoint pupil energy monitors	Weekly checks in KS2 classes
Decarbonisation	Energy	'Switch Off Fortnight' campaign	Reduction in electricity use
Climate Education & Green Careers	Culture	Engage staff in sustainability training	Staff session delivered
Climate Education & Green Careers	Education	Map climate themes to curriculum	Curriculum map produced
Climate Education & Green Careers	Education	Curriculum links (KS1 & KS2)	Pupil understanding improves; reflected in work
Environment & Biodiversity	Food	Engage catering providers in climate plan	Food monitoring in place

Year Two

Area	Topic	Objective	Success Measures
Decarbonisation	Energy	Install energy monitoring dashboard	Live energy data available
Decarbonisation	Energy	Complete LED lighting upgrade	30–50% reduction in lighting energy use
Decarbonisation	Transport	Improve cycle/scooter storage	20 new cycle spaces installed
Decarbonisation	Green Energy	Commission solar PV & heat pump studies	Feasibility reports completed

Environment & Biodiversity	Food	Introduce more plant-based meal options	1–2 plant-based days/week
Climate Education & Green Careers	Culture	Introduce pupil climate pledges	80% pupils signed pledge
Climate Education & Green Careers	Culture	Sustainability in assemblies/displays	Termly themed assemblies
Environment & Biodiversity	Food	Promote low-waste packed lunches	Guidance shared with parents

Year Three

Area	Topic	Objective	Success Measures
Decarbonisation	Energy	Behavioural energy saving campaigns	5–10% energy reduction
Decarbonisation	Transport	Promote public transport & discounts	20% uptake increase
Climate Education & Green Careers	Education	Run pupil-led projects/campaigns	3 projects completed
Environment & Biodiversity	Food	Introduce low-carbon/meat-free menus	Weekly meat-free option
Environment & Biodiversity	Waste	Review supplier contracts	50% suppliers audited

Year Four

Area	Topic	Objective	Success Measures
Decarbonisation	Green Energy	Install solar PV (if feasible)	Onsite renewable generation
Decarbonisation	Paper	Transition to digital newsletters, reports, etc	90% digital distribution
Climate Education & Green Careers	Education	Hold climate career days	At least 2 events run
Environment & Biodiversity	Food	Promote local/seasonal produce	20% locally sourced meals
Environment & Biodiversity	Waste	Whole-school zero-waste week	All classes participate

Year Five

Area	Topic	Objective	Success Measures
------	-------	-----------	------------------

Decarbonisation	Green Energy	Install heat pump (if feasible)	Low-carbon heating operational
Climate Education & Green Careers	Education	Evaluate sustainability curriculum impact	Pupil knowledge survey shows progress
Climate Education & Green Careers	Culture	Apply for national Eco-School accreditation	Accreditation achieved
Environment & Biodiversity	Food	Carbon labelling on menus	100% menus labelled

Timeline	Responsibility	Progress	Success
Summer 2025	Headteacher, Governors	Complete	100%
	Sustainability Lead, Teachers		
	Eco-team, Site Manager		
	School School Business Manager		
	Class Teachers, Pupils		
	Eco-team, School Business Manager		
	Sustainability Lead, Teachers, SLT		
	Eco Committee, Class Teachers		
	Sustainability Lead, Headteacher		
	Curriculum Leaders		
	Class Teachers		
	School Business Manager
