Wymondley News

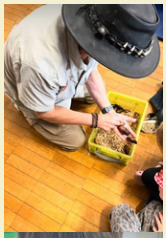

Friday 6th November 2026

I hope this newsletter finds you well.

Over half term, the **fencing work** began but there's still some to be completed. This will be finished on Monday and Tuesday next week. The children will need to play on the field, so please send them in with a pair of outdoor trainers or wellies (something you don't mind getting muddy) on these days.

Thank you to the Friends of Wymondley for organising a visit from **Safari Stu** over half term. I very much enjoyed meeting his exotic pets and learning more about their adaptations for life in the wild. Thank you to all the families who came along to support the PTA.

Aside from the boiler glitches first thing on Monday morning, it's been a **successful return to school**, with the children settled and straight back to learning. Thank you for your responsiveness on Monday morning in layering up your children; it's been pleasantly toasty in school since Monday's engineer visit and we hope it remains so.

All pupils had a wonderful time participating in the **Kapla** building sessions on Monday. It was fantastic to see their creativity, teamwork, and problem-solving skills in action as they created incredible structures. Thank you to the volunteers who supported children throughout the day to engineer their structures and to the parents who came along at the end to see it for themselves.

Congratulations to our **football team** for their participation in the recent tournament on Wednesday. I wasn't able to attend due to our Parents' Evening in school, but Miss Crowe reported that the team represented the school brilliantly, demonstrating great sportsmanship, determination, and team spirit throughout the matches. They missed out on progressing to the semifinals on goal difference (just one goal), which was slightly disappointing, but they had a good afternoon of football.

Thank you to all the parents and carers who attended **Parents' Evening**. It was a pleasure to share your children's progress, celebrate their achievements, and discuss their next steps with you.

We are all looking forward to the Friends of Wymondley **Glow Disco** after school. Thank you to the committed volunteers who have organised this event, have been decorating this afternoon and will be leading the disco fun this afternoon.

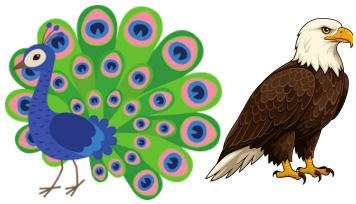

Have a lovely weekend and if you're going to see a fireworks display, have fun and stay safe.

Mrs Chadwick

The new **fencing** around the staff car park is due to be completed on **Monday and Tuesday** next week. Please be aware that there will be workmen around during drop off and pick up times.

The playground will be out of use during these days so playtime and lunchtime will take place on the field (weather dependent). Please could you send you child in with a suitable footwear (i.e. trainers or wellies) for this.

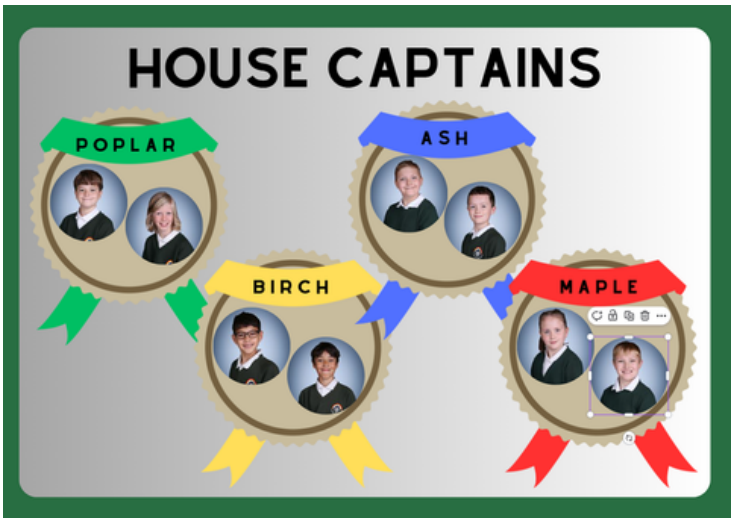

If your child is attending Rising Stars after school on these days, collection will be from the main front door instead. Thank you for your understanding.

Mr O'Dell will be teaching children in **Peacocks & Eagles** Tag Rugby on the field during their Tuesday PE lesson therefore it is advisable that they bring in a spare pair of socks, shoes and trousers that they can change into should they become muddy.
